*Honoring Life Since 1883*

# POLCHINSKI MEMORIALS

- A slant style monument is similar to an upright monument.
- It is slanted for easy reading.
- It is made from granite and is generally low to the ground.

*Honoring Life Since 1883*

# POLCHINSKI MEMORIALS

- A slant style monument can be set on the cemetery footer at ground level or on a base.

*Honoring Life Since 1888*

# POLCHINSKI MEMORIALS

- This type of monument design is flexible and can be modified to fit your specific requirements.
- It enables customization of commemoration monuments, grave tombstones, stone memorials and headstone markers.

*Honoring Life Since 1883*
